

Application for funding of MRS Foundation course and Certificate of Market Research

Name	
Address	
Email	
Telephone number	
[If Employed] Company name of Employer	
Length of time in market research (years/months)	

Have you worked for at least 3 months continuously in the UK market or social research sector within the past three years?	Yes	
	No	

Which one of the statements below describes your current employment status?	Please tick
I am currently an employee, fieldworker or intern in a UK market or social research agency/supplier which has an annual turnover of less than £2 million and my annual earnings are < £25,000	
I am currently an employee, fieldworker, or intern of a UK client-side research team/buyer whose annual research & insight spend is less than £200,000 and my annual earnings are < £25,000	
I am currently a UK freelance researcher or contractor with an annual income of less than £30,000	
I am currently an unemployed UK researcher seeking a new role in the UK market and social research sector.	

Sadly, if NONE of the above statements describe your current research employment status, then you will not be eligible for MRBA Skills funding.

Next, please provide:

A personal statement explaining how you think the MRS Foundation course and MRS Certificate will enhance your future career in market or social research. Please attach your statement to your application email
